

Have fun with some questions for Kids!!

Answer all or just a few – you may have to really look!

47. Can you see the 'metal bars' inside these trucks? What do you think they are made from?

48. What sport would these ladies be doing? How can you tell? Where would they do this sport?

50. Would you wear clothes like this on your holidays? What would you wear?

51. Can you find the Dolls in this picture? How are they different from your dolls?

53. Can you find the tennis racquets in this picture?

55. How many 'Pom Poms' can you see on the slippers?

63 - 64. Are there any 'hammers' in these pictures of tools used in the Smelter? How many?

70. There are only three electric lights for the workers? Can you find them?

74. What do you think the boy is holding in his hands?

75 – 78. Can you see children playing in the flood water? Have you ever been in a flood?

81. What did these new trucks replace to do the work at the Smelter? *Clue! They are in the next picture!*

82. What is missing from this photo that is now part of the Smelter and is taller than the Sydney Harbour Bridge?
